- A 20% discount on books and CDs.
- A \$35 savings on FCI's annual FM/CFS conference registration

"FCI is extraordinary among support organizations. They encourage the use of treatments that correct the underlying causes of fibromyalgia. FCI is the type of organization that can help fibromyalgia patients avoid the frustrated hopes that virtually always come from using conventional treatments. We enthusiastically encourage patients and their doctors to avail themselves of what FCI has to offer."

Dr. John Lowe, Boulder, CO
